Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Item 7 - Other reasons for holding abandonment: Contact was attempted with the attorney of record, whose staff indicated the case had been transferred to another firm, Potomac Patent Group, and no forwarding contact number was provided. Further no change of address or power of attorney was in the case to provide new contact information, and Potomac Patent Group not being of record, contact with them would be moot. It was confirmed that the attorney still of record in the case sent no response, and the case having now passed 7 months with no response is being considered abandoned.
